Contemplation has been recognized across time and culture as essential to the pursuit of knowledge and wisdom, yet it remains largely absent from today's curriculum and pedagogy. Contemplative knowing is a missing link, one that affects student performance, character, and depth of understanding.

Cynthia Bourgeault, Ph.D., principal Teacher & Advisor - Contemplative Society, retreat and conference leader, teacher of prayer, writer on the spiritual life,

and Episcopal priest. Cynthia is passionately committed to the recovery of the Christian contemplative path and has worked closely with Fr. Thomas Keating as a teacher of Centering Prayer.
